To: All Livingston County High School Senior Counselors

Dear High School Counselor,

It is our privilege and honor to offer a \$1,000 Scholarship to a graduating senior in your school. It is our wish that the enclosed application be copied and distributed to qualified seniors as soon as possible. A qualified senior would be anyone wishing to pursue a career in the field of human services. Please note that our interpretation of "Human Services" is quite broad. One recipient chose a career in engineering. She used her required essay to describe how her engineering skills would apply to the field of human services.

I will be picking up the completed applications the week of April 9, 2018. Should you have any questions regarding the applications, please call or email me at the numbers below.

The Livingston Women's Club appreciates your assistance and effort with this endeavor.

Sincerely,

A handwritten signature in black ink that reads "Kathy Brownlee". The signature is written in a cursive, flowing style.
