*Math, Science, English, Social Studies, World Language		
Credit earned in all previous online classes	<input type="checkbox"/>	<input type="checkbox"/>

Expectations for Students Enrolled in an MVS Class

Students will:

- Log into the Student Learning Portal and Black Board when you receive your passwords.**
These will come to your school email address, usually within 24-48 hours of enrollment.
- Use the resources in the Student Learning Portal** to learn about accessing your assignments, supports, and teacher before you begin the coursework.
- If class is taken during school hours, report to the Media Center.**
- Use the pacing guide** to ensure that the course will be complete on time. Be aware that S2 ending dates are different for Seniors, so the pacing will need to be increased. The MVS teacher will send progress reports to you, your school counselor and your parents.
- Follow **Count Day** procedures, as required (***Submit at least one assignment ON Count Day each semester for each class***).
